PROFILE

I was born in the UK in 1975, raised in London and Paris, studied in Manchester, lived and worked for 15 years in Berlin and now live in Biel with my wife and 2 boys.

I am constantly looking for new challenges. Upon concluding my degree in Modern Languages, I moved to Berlin, completed MBA Diplomas in Economics, Marketing and Management and travelled the world learning by doing in a variety of professional capacities from project management, marketing and market research to engineering, reconstruction, proposals and contracts and food.
